POWER BI APPLICATION EMAIL TEMPLATE

Subject: Power BI Developer Application — Shafiq Rehman

Hi HR Team

I'm a Power BI developer interested in the role as Power BI Consultant

What I bring:

- End-to-end Power BI: requirements gathering → data modeling (star schema) → DAX → Power Query → deployment to Power BI Service
- Optimized report performance and clean, executive-friendly dashboards
- Strong English, autonomous, remote-first working style

Portfolio (live): <https://bi-knowledgeanalytics.github.io/bi-portfolio/>

I'm based in Pakistan and can work flexible hours to overlap with your timezone. I'm available to start immediately.

My resume is attached — happy to jump on a call at your convenience.

Best regards,

Shafiq Rehman
